SUMMARY

Results-driven Junior Computer Engineering student specializing in Computer Networks Engineering. Demonstrated exceptional learning agility by earning 11 Cisco technical certifications, including the Junior Cybersecurity Analyst and Network Technician career paths. Active contributor to the developer community with a portfolio of open-source projects hosted on GitHub.

WORK EXPERIENCE

IT Intern, State Properties Corporation

July 2025 - August 2025

- **Frontend Engineering:** Engineered intuitive, responsive web components and interactive user interfaces using JavaScript, HTML5, and CSS3, focusing on enhancing the end-user experience and data visualization.
 - **Database Management:** Designed and optimized complex SQL Server database schemas, improving query performance and maintaining data integrity across enterprise-level platforms.
 - **Version Control & Collaboration:** Managed the full project lifecycle through a centralized Git repository, streamlining team collaboration through structured branching, merging, and detailed code reviews.
-

EDUCATION

Bachelor of Science in Computer Engineering

Sep 2023 - Present

Polytechnic University of the Philippines - Sta. Mesa

- Specialization in Computer Networks Engineering.
 - Relevant coursework in Network Design & Architecture and Python Programming.
-

CERTIFICATIONS

Cisco Networking Academy

- CCNA: Introduction to Networks
 - Introduction to Cybersecurity
 - Networking Basics
 - Network Devices and Initial Configuration
 - Network Addressing and Basic Troubleshooting
 - Network Support and Security
 - Endpoint Security
 - Network Defense
 - Cyber Threat Management
 - Junior Cybersecurity Analyst Career Path
 - Network Technician Career Path
-

ADDITIONAL INFORMATION

- **Technical Tools:** Adobe Creative Cloud, AutoCAD, Cisco Packet Tracer, Flowgorithm, Git/Github, HashCalc, Intel Quartus Prime, Microsoft Office, Oracle VM VirtualBox, SQL (MySQL and Microsoft SQL Server), Visual Studio (Microsoft and VS Code), Wireshark.
- **Languages:** English (Professional), Tagalog (Native).
